

Document Title:	Step by Step Instructions for using Organization Self - Service
FERPA Notification:	ATTENTION: By entering into this registration system you acknowledge that:
	NWTC is in compliance with the Family Educational Rights and Privacy Act (FERPA) of 1974 as Amended, also known as the Buckley Amendment. FERPA is a federal privacy law that protects educational records from improper disclosures.
	As a third party organization, you will have access to records which contain individually identifiable information, the disclosure of which is prohibited by the Family Educational Rights and Privacy Act of 1974. Under FERPA you may access student records in which there is a legitimate educational interest. You must keep all information confidential. Your organization is given access to this information on the condition that you do not share your access with any other person and only access this information in the legitimate educational interest of the student.
	I have read and agree to the above guidelines and terms.

STUDENT MANAGEMENT

- 1. This tab shows the students that are currently listed under your organization's **Student List**.
- 2. Add new students to the organization's Student List by:
 - a. Typing in the Student ID and clicking Add a Student to the List button.
 - i. You will be required to verify/update the student's information.
 - b. Clicking Add a Student to the List button if the student does not already have a Student ID.
 - i. You will be required to enter required data for each student.
 - 1. <u>Student Personal Data Requirements</u> link brings up a form showing all of the data that is needed to add a student into the student list. This form can be printed.
- 3. "View Active Only" button is checked:
 - a. Lists active students in your organization's Student List.
- 4. "View Inactive Only" button is checked:
 - a. Lists inactive student in your organization's Student List.
 - b. A student can be re-activated by clicking the checkbox located next to the student's name under "Active" field. The system will then bring you to the "Create an NWTC Student Account" pages to update student personal data.
- 5. Refresh View button:
 - a. Click when changes are made with activating/inactivating a student.
- 6. Update Personal Data button:
 - a. Allows you to update personal data for each student.
- 7. View Students Classes button:
 - a. Allows you to view student's classes in which the organization enrolled the student.
- 8. Click the Next Tab to navigate to the Add a Class/Shopping Cart tab.
