

Early Childhood Infant Toddler Certificate

Certificate # 903073

The Infant Toddler Certificate is designed for family child care providers, infant toddler teachers, child care administrators, directors, B-3 aides/teachers, certified providers, and anyone considering entering early childhood care and education who is looking to gain specialized knowledge and tools to nurture the development of children in the first three years of life. Completion of the four courses in this credential, along with preparation of a portfolio, permits the student to apply for and attain the Wisconsin Infant Toddler Professional Credential from The Registry.

Courses can be taken in any order and concurrently, as long as the ECE: Infant/Toddler Capstone (Course 4) is taken last.

Course Descriptions

ECE: Infant & Toddler Development, Catalog # 10-307-151

3 Credits

In this 3-credit course you will study infant and toddler development as it applies to an early childhood education setting. Course competencies include: integrate strategies that support diversity, cultural responsiveness, and anti-bias perspectives; analyze development of infants and toddlers (conception to thirty-six months); correlate prenatal and postnatal conditions with development; summarize child development theories; analyze the role of heredity and the environment; examine culturally and developmentally appropriate environments for infants and toddlers, examine the role of brain development in early learning (conception through thirty-six months); examine caregiving routines as curriculum; and examine developmental and environmental assessment strategies for infants and toddlers.
