

Supporting Children Learning Certificate

Program Code: 905221

This certificate is designed to further the professional development needs of anyone preparing for, or already engaged in, a paraeducator or educational paraprofessional position. The coursework in this certificate program addresses methods for assisting in the instruction, guidance, and classroom management of students by performing a variety of instructional support activities related to grade level curriculum. Integrating current technology into the learning environment is also introduced. All courses transfer to the Paraeducator Associate Degree.

EDU: Techniques in Reading, Catalog # 10-522-102

3 Credits

Students learn techniques to support reading development for all learners. Students learn techniques to promote phonological awareness, phonemic awareness, and phonics. Students also learn strategies to promote word analysis, vocabulary, and reading fluency skills.
