PROGRAM NOTES

- ✓ Students who have at least 60 college credits at the Associate's Degree level or higher and want to become certifiable for employment opportunities as a Law Enforcement Officer in Wisconsin may wish to pursue the Criminal Justice-Law Enforcement Academy, instead of the Criminal Justice-Law Enforcement Associate's Degree.
- ✓ Once the student is fully program accepted they are required to take their core courses in a cohort starting in the fall semesters. Core courses are primarily offered during daytime hours. Students must be prepared to be able to take classes on the days/times they are offered.
- ✓ General Education courses are offered in a variety of ways (online, in-person, accelerated, etc.).
- ✓ Per Department of Justice regulations, a final high school transcript or equivalent must be sent to NWTC in order to verify your graduation date. If you are in high school when you initially apply, you must send a final high school transcript once you graduate.
